

GraphRAG: Advanced PDF Processing Test

This is a test PDF document for the GraphRAG system. It contains text, a table, and a simple diagram to test the advanced PDF processing capabilities.

Table: Document Processing Capabilities

Document Type	Processing Features
Text Files (.txt)	Basic text extraction
JSON Files (.json)	Structured data extraction with metadata
Markdown Files (.md)	Text extraction with frontmatter metadata
PDF Files (.pdf)	Text, tables, OCR, and diagram detection

Diagram: GraphRAG System Architecture
